

## TEST FOR COVENANT KEEPING

The Lord is a covenant God and He is looking for a covenant people. We are to be committed to and in covenant with Him and one another. This includes our marriages and our church relationships; and the proper stewardship of our finances and possessions. The result is a oneness and agreement that is the level of unity that describes us walking in His Name (Psalms 133).

- Do you honor your wife as a fellow heir?
- Is your spouse your partner in family financial planning, and aware of what you buy and how you spend money?
- Do you withhold your body from your spouse?
- Have you been faithful in repaying debts/loans (verbal or written contracts)?
- Are you responsive to a brother/sister in Christ with a genuine need?
- Are you committed to and tithe to your local church?
- Do you love your brother and sisters in Christ?
- Are you obedient in your heart to the Lord's commandments?
- Do you hold resentment/unforgiveness towards any Christian?
- Will you stand up for the Lord and truth despite public opposition?
- Have you spoken against a brother?
- Do you keep your word when you make promises?
- Do you take the Lord's Name in vain?
