

TEST TO SEE IF YOU LOVE GOD

Loving God is more than just “feelings.” It involves loving His Word, as He is His Word; it is loving His church corporately and individually, as they are in covenant with Him; it includes honoring prophecy (also His Word) and embracing His delegated authorities; and it includes obedience to Him.

- Are you obedient to the Lord’s commandments?
- Do you really love your brothers and sisters in Christ?
- Have you totally surrendered your will to the Lord?
- Have you despised prophecy?
- Do you have a hunger and thirst for God’s Word?
- Do receive and honor those in authority over you?
- Do you like you?
- Do you have suicidal tendencies?
- Do you abuse/misuse the Name of Jesus?
- What has priority in your life: God, or your finances/possessions?
- Are you mad at or blaming God for anything?
- Do you have any strong judgments against Christians, the corporate church or church leadership in general?
